• SUMMARY

Hello! I'm Jacob Miller. I'm the founder of 1x1 Corp, web and app developer, and RIT drop out. I'm self taught and learn much faster on my own. The hand holding slowed down the speed I like to work and learn at.

• EDUCATION

Rochester Institute of Technology
2024 - 2025
I left my software engineering program

Lancaster High School (NY)
2020 - 2024

Honor Roll or High Honor Roll
Student of the Month- Math
(Pre-calculus)

- Notable Classes**
- PLTW- DDP
 - PLTW- DE

- PLTW- AP CSP
- AP CSA
- Physics
- Pre Calculus
- For more classes, see transcript

• EXPERIENCE

Web Development 2022 - Present

Self Employed

I started building websites for custom-ers and their businesses. Customers also love my custom build CMS.

- Coordinating with clients
- Design and prototypes
- Development and deployment

Photography 2017 - Present

Self Employed

People wanted to buy my photography, so I started selling online and at vendor events.

- Printing, Framing, and packing
- Event coordination and logistics
- Photoshop

Volunteering 2016 - Present

The Hope Project of WNY

Local non profit that helps those who cannot make ends meet.

- Ticket Sales (Basket Raffes, etc)
- Event Setup
- IT
